2013-14 Washington Leadership Institute
Application Packet
Thank you for your interest in the Washington Leadership Institute! The Washington Leadership Institute (“WLI”) is a collaborative leadership program between the Washington State Bar Association and the University of Washington School of Law (UW Law). The program is governed by a volunteer Advisory Board and is administratively staffed by the Law School.

The WLI is an innovative and award winning leadership training program that originated in the WSBA under the guidance of Bar President Ron Ward. The mission of the WLI is to recruit and train diverse and underrepresented lawyers for future leadership within the legal and bar community.

Twelve attorneys, in practice for at least three years and not more than ten years, will be carefully selected for the tenth year of the program. The eight professional development seminars run from January to August 2014. Upon successful completion, Fellows will earn a significant number of CLE credits, and the program is provided at no charge to participants.
