

**ANNA C. MASTROIANNI**  
*CURRICULUM VITAE*

*Contact Information:*

Johns Hopkins Berman Institute of Bioethics  
Deering Hall, 1809 Ashland Ave., Baltimore MD 21205  
410.614.5550  
amastro7@jhu.edu

***EDUCATIONAL BACKGROUND***

- 1997 M.P.H. **University of Washington School of Public Health** (Health Services)  
*Thesis: Implementation of a Federal Policy Mandate: The NIH Training Requirement for Research Ethics*
- 1986 J.D. **University of Pennsylvania Law School**
- 1982 **University of Pennsylvania**
- B.S. **The Wharton School** (Economics/International Business)
- B.A. **College of Arts and Sciences** (Spanish & Portuguese)

***AREAS OF SPECIALIZATION***

Health Law and Bioethics (biomedical research, public health, genetics, women's health, reproductive technologies, responsible conduct of research, family law)

***CURRENT APPOINTMENTS***

- July 2022-Present *Research Professor*, Johns Hopkins Berman Institute of Bioethics, Baltimore  
Leadership and participation in funded bioethics research and projects; Graduate teaching, including *Bioethics and the Law* (3 cr.).
- July 2022-Present *Charles I Stone Professor of Law Emerita*, University of Washington School of Law, Seattle

***PREVIOUS EXPERIENCE***

- Sept. 1998-June 2022 *Charles I Stone Professor of Law*, University of Washington School of Law, Seattle  
*Professor* (Sept. 2010- June 2022); *Associate Professor*. (Sept. 2006-Aug. 2010),  
*Assistant Professor* (Sept. 1998-Aug. 2006).  
Responsible for planning and teaching up to 17 credits in law and bioethics (genetics; biomedical research; health law; reproductive rights; family law; medical malpractice; public health, health administration).  
*University of Washington Graduate Faculty Appointments*  
Department of Health Systems and Population Health, School of Public Health  
Department of Bioethics & Humanities, School of Medicine  
Department of Pediatrics, School of Medicine
- Sept. 1998-June 2022 *Associate Director* (2015-2022), *Core Faculty* (1998-2022), University of Washington Institute for Public Health Genetics, Seattle WA

- Mar. 2021- June 2022 *Adjunct Faculty*, Johns Hopkins Berman Institute of Bioethics, Baltimore. Responsible for planning and teaching *Bioethics and the Law* (3 cr.), to public health and bioethics graduate students.
- June 2008 – 2018 *Affiliate Faculty*, Treuman Katz Center for Pediatric Bioethics, Seattle Children’s Hospital and Research Institute, Seattle.
- Sept. 2007- June 2008 *Visiting Scholar*, Treuman Katz Center for Pediatric Bioethics, Seattle Children’s Hospital and Research Institute, Seattle.
- Jan. 1997 – Dec. 2009 *Center Associate*, Center for Bioethics, University of Minnesota, Minneapolis.
- Mar.1996 - Aug. 1998 *Part-time Lecturer*, University of Washington School of Law, Seattle. Responsible for planning and teaching 3-credit course on legal, ethical, and policy issues in reproduction and technology; guest lecturer in health law courses.
- Apr. 1994 - Oct. 1995 *Associate Director*, White House Advisory Committee on Human Radiation Experiments, Washington, DC. Appointed to co-direct work of Presidential advisory commission charged with investigation and analysis of legal, ethical, policy, and scientific issues of government-sponsored human radiation experiments from 1944-present. Responsible for working with expert committee of lawyers, ethicists, scientists, physicians, and historians; hiring and supervising 50-member, multi-disciplinary professional staff; policy analysis and evaluation; planning and management of overall research design and committee approach to work; report planning, editing, publication, and dissemination; communications with The White House and 8 executive branch agencies. Final Report delivered to President Clinton on Oct. 3, 1995, and published as *The Human Radiation Experiments: Final Report of the Advisory Committee on Human Radiation Experiments* (NY: Oxford University Press, 1996).
- Oct. 1992 - Mar. 1994 *Study Director, Division of Health Sciences Policy*, National Academy of Sciences, Engineering and Medicine, Institute of Medicine (now the National Academy of Medicine), Washington, DC. Responsible for assembling and working with committees of lawyers, bioethicists, scientists and physicians; hiring, supervising and managing work of research associates, project assistants and a variety of outside consultants; analyzing and evaluating national policy; performing legislative and regulatory research and analyses; planning and managing overall study design and committee activities, including workshops and symposia; planning, writing and editing reports; developing and performing literature searches; managing budgets; reporting of study activities and progress to funding agencies, division director, senior staff, and the public; planning and managing fundraising activities; serving as representative to funding agencies, advocacy groups, government representatives, the general public and the media; managing publication and dissemination of final reports.

Studies Directed:

- Oct. 1992 - Mar. 1994 *Legal and Ethical Issues Relating to the Inclusion of Women in Clinical Studies*. Directed Institute of Medicine study requested by the National Institutes of Health on legal and ethical issues relating to the inclusion of women in clinical studies; \$325,000 budget.

- Jan. 1994 - Mar. 1994 *Intellectual Property, Technology Transfer, and Conflict of Interest in Molecular Biology*. Appointed co-director of Institute of Medicine and National Research Council study, funded by public and private sources, to analyze effects of federal intellectual property and technology transfer laws and policies; focus on values and ethics governing the conduct of research by academic research institutions and investigators; \$860,000 budget (projected at March 1994).
- June 1989 - Oct. 1992 *Attorney*, Green, Stewart & Farber, P.C. Washington, DC. Counseling national base of health care clients on transactional, corporate and regulatory issues, including: drafting and negotiating contracts concerning managed care, joint ventures, physician employment, medical equipment, and clinical trials; analyzing regulatory issues (e.g., Medicare fraud and abuse, certificate of need). Researched and wrote amicus curiae brief on "right to die" in U.S. Supreme Court case, *Cruzan v. Missouri Department of Health*, on behalf of the American Geriatrics Society; briefed prominent physicians and other medical authorities on implications of *Cruzan* in preparation for national news conference; responded to related media inquiries.
- Nov. 1988 - June 1989 *Legal Consultant*, Committee on Contraceptive Development, National Research Council, National Academy of Sciences, Washington, DC. Researched and analyzed impact of FDA regulations and products liability litigation on contraceptive development; edited legal chapters in *Developing New Contraceptives: Obstacles and Opportunities* (National Academy Press, 1989).
- Sept. 1988 - Nov. 1988 *Assistant to DC Finance Director*, Dukakis-Bentsen Campaign, Democratic National Committee, Washington, DC & Baltimore, MD. Planned local fundraising events; acted as liaison to fundraisers; organized media and voter visibility events.
- Sept. 1987- Sept. 1988 *Attorney, Health Care Department*, Epstein Becker & Green, P.C., Washington, DC. Worked with national client base of health maintenance organizations and other health care providers, researching, writing, and counseling on issues relating to antitrust, mergers and acquisitions, regulatory compliance, and labor racketeering.
- 1984-1987 *Summer Internships and Clerkships:*
- Summer 1987 Population Action International, Washington, DC
  - Summer 1986 Epstein, Becker & Green, P.C., Health Law Department, Washington, DC
  - Summer 1985 U.S. Agency for International Development, Policy Development Division, Office of Population, Washington, DC
  - Summer 1984 Bower and Gardner, Medical Malpractice Defense Department, New York, NY

### **GRANT PARTICIPATION**

- Mar 2021-Dec. 2021 *Consultant*, "Beyond Boundaries: ELSI and the Complex Relationships between Infectious and Genetic Diseases (BRIDGES), National Institutes of Health/National Human Genome Research Institute (PIs: Jeff Kahn and Gail Geller, Johns Hopkins)
- Apr 2016-June 2017 *Co-Investigator*, Conducting Ethical Research with Pregnant Women in the Emerging ZIKA Pandemic and Beyond: Challenges Arising in Public Health Crises, The Wellcome Trust (PIs: Ruth Faden, Johns Hopkins, Anne Lysterly, U. North Carolina)

- Aug. 2015-June 2017 *Co-Investigator*, The PHASES Project – Pregnancy and HIV/AIDS: Seeking Equitable Study, National Institutes of Health (NIAID) R01 (PI: Anne Lyerly, U. North Carolina)
- Aug. 2013-Sept. 2014 *Co-Investigator*, Advancing HIV Research in Pregnancy: Ethics and Engagement, National Institutes of Health (PI: Anne Lyerly, Duke University)
- Nov. 2008- Oct 2013 *Member*, Special Issues Advisory Board, Preparedness and Emergency Response Research Centers (PERRC), Centers for Disease Control and Prevention (PI: Mark Oberle, Northwest Center for Public Health Practice)
- May 2007-April 2010 *Consultant*, Clinical Trial Research Training Partnership with Keio University, Tokyo, Japan and University of Minnesota, The Medtronic Foundation (PI: Mark Paller, Univ. Minnesota)
- April 2006- Dec. 2006 *Co-Investigator*, Assessment of Legal and Financial Barriers to Privately Funded Substance Abuse Treatment for Adolescents and Young Adults, Science and Management of Addictions Foundation, Seattle, WA
- Jan. 2003 - Sept. 2005 *Consultant*, Promoting the Responsible Conduct of Clinical Research, Office of Research Integrity/American Association of Medical Colleges (PI: John Lantos, Am. Society of Bioethics and Humanities)
- Mar. 2003 - Mar. 2005 *Co-Investigator*, Motivating Research Integrity, National Institutes of Health (PI: Wylie Burke, University of Washington)
- Feb. 2003 - Feb. 2005 *Advisory Board*, Project on Innovative Surgery, The Greenwall Foundation (PI: Jonathan Moreno, University of Virginia)
- Feb. 2003- Feb. 2005 *Advisory Board*, Research Integrity, National Institutes of Health (PI: Elizabeth Heitman, University of Mississippi)
- July 2002 - June 2006 Faculty Scholar in Bioethics, *Ethics, and Policy in the Genomic Era: Policy Gaps and Conflicts in the Use of Stem Cells, Embryos and Related Technologies*, The Greenwall Foundation
- July 2001 - June 2006 *Consultant*, Training in Research Ethics (PI: M. Kalichman, University of California-San Diego), NIH, (PAR-98-006)
- Jan. 2001 - Dec. 2004 *Expert Working Group*, Evaluating Use of Genetic Information: A Model Process, Ethical, legal and social issues research program of the National Institute for Human Genome Research (PI: Wylie Burke, University of Washington)
- Sept. 2000 - Sept. 2004 *Co-Investigator*, Ethical, Legal and Social Issues Core, with NIEHS Center for Ecogenetics and Environmental Health, University of Washington, NIEHS
- Mar. 2000 - Feb. 2001 *Working Group*, Pilot Project on Ethics and Public Health, awarded to University of Virginia Center for Biomedical Ethics by The Greenwall Foundation
- Sept. 1999 - Aug. 2002 *Workshop Co-chair and Member, Planning Committee*, Developing Model Curricula in Ethics in Public Health, awarded to Association of Schools of Public Health by HRSA, NIH.
- Sept. 1998 - Sept. 2002 *Faculty*, Short course & certificate program in research ethics, NIH Training Grant, University of Washington (PI: Albert Jonsen, University of Washington)
- July 1999 - June 2000 *Co-investigator*, Genetic Testing in the Workplace: Implications for Public Policy, Pilot project grant awarded by NIEHS Center for Ecogenetics and Environmental Health, and Program in Public Health Genetics in the Context of Law, Ethics, and Policy, University of Washington

## ***AWARDS AND HONORS***

*Washington Law Foundation Scholar (2007-2010)*

American Association for the Advancement of Science, *AAAS Fellow*, “For many substantial contributions to bioethics, health policy and the law” (1998)

Faculty Scholar in Bioethics, *Ethics, and Policy in the Genomic Era: Policy Gaps and Conflicts in the Use of Stem Cells, Embryos and Related Technologies*, The Greenwall Foundation (2002-2006)

### ***APPOINTMENTS TO COMMITTEES, ADVISORY BODIES, BOARDS - NATIONAL***

#### Board of Directors

May 2008-June 2017 *Trustee and Audit Committee Chair*, The Population Council, New York, NY  
July 1996 - 2006 *Member*, Board of Directors and Executive Committee, Health Alliance International

#### Government: Advisory Committees, Study Sections, Review Panels

Sept. 2019- Present *Member*, NASA Bioethics Advisory Panel, Washington, DC  
Jan. 2014-July 2020 *Committee Chair* (2017-2020) and *Member*, Wellcome Trust Medical Humanities & Social Science Selection Panel, London, UNITED KINGDOM  
Sept. 2009-Aug 2012 *Member*, Recombinant DNA Advisory Committee, National Institutes of Health  
March 20-21, 2003 *Member*, Ethical, Legal and Social Implications of Genetics, National Human Genome Research Institutes, NIH  
July 2002 *Member*, Environmental Justice, National Institute for Environmental Health Sciences, NIH  
March 2002 *Member*, International Bioethics Education and Career Development, NIH  
October 2001 *Member*, K22 Scholar Development Award, Transition to Independent Positions, National Institute of Environmental Health Sciences, NIH  
September 1999-2002 *Member*, Advisory Committee for Genetics in Primary Care, Department of Health and Human Services, Washington, DC

#### National Academies of Sciences, Engineering, and Medicine

Nov. 2018-Present *Member*, Standing Committee on Aerospace Medicine and the Medicine of Extreme Environments, National Academies of Sciences, Engineering, and Medicine  
Dec. 2014-Apr. 2016 *Member*, Committee on Ethical and Social Policy Considerations of Novel Techniques for the Prevention of Maternal Transmission of Mitochondrial DNA Diseases, National Academy of Sciences, Washington, D.C; resulted in committee publication *Mitochondrial Replacement Techniques: Ethical, Social, and Policy Considerations* (Washington, DC: National Academy Press, 2016)  
May 2013- Mar. 2014 *Member*, Committee on Ethics Principles and Guidelines for Health Standards for Long Duration and Exploration Spaceflights, Institute of Medicine, National Academy of Sciences, Washington, D.C; resulted in committee publication *Health Standards for Long Duration and Exploration Spaceflight: Ethics Principles, Responsibilities, and Decision Framework* (Washington, DC: National Academy Press, 2014)  
Aug. 2004 - Mar. 2005 *Member*, Committee on the Review of the National Immunization Program’s Research Procedures and Data Sharing Program, Institute of Medicine, National Academy of Sciences, Washington, DC; resulted in committee publication *Vaccine Safety Research, Data Access, and Public Trust* (Washington, DC: National Academy Press, 2005)  
June 2001 - June 2003 *Member*, Committee on IRBs, Surveys and Social Science, National Research Council, National Academy of Sciences, Washington, DC; resulted in committee publication

*Protecting Participants and Facilitating Social and Behavioral Sciences Research*  
(Washington DC: National Academy Press, 2003)

Working Groups and Workshops

- April 29-30, 2009 *Working Group Member*, The Second Wave: Towards the Responsible Inclusion of Pregnant Women in Research, Georgetown University and Johns Hopkins University, Washington, DC
- May 15-16, 2003 *Working Group Member*, Lasker Forum on Ethical Challenges in Biomedical Research and Practice, sponsored by The Lasker Foundation and The Greenwall Foundation, Washington, DC
- January 6-7, 2003 *Working Group Member*, Reproductive Genetics Policy: Framing the Issues, Genetics & Public Policy Center, Berman Bioethics Institute, Johns Hopkins University, Washington, DC
- June 1997 *Invited Participant*, Planning Workshop on Privacy and Confidentiality in Genetics Research, sponsored by National Action Plan on Breast Cancer and the National Human Genome Research Institute, Washington, DC
- March 1997 *Panel Member*, Leukemia Society of America Sponsored Workshop on Cord Blood Transplantation, Indianapolis, IN
- February 1997 *Working Group Member*, National Research Council Planning Workshop on Teaching Responsible Science, Washington, DC
- September 1993 *Member*, Advisory Workgroup on Women in Medicine, Council on Graduate Medical Education (COGME), Division of Medicine, Bureau of Health Professions, HRSA, Department of Health & Human Services, Washington, DC

Professional Organizations

- Feb.-Dec. 2006 *ABA Advisor*, Drafting Committee, Misuse of Genetic Information in Employment and Insurance Act, The National Conference of Commissioners on Uniform State Laws (NCCUSL)
- Jan. 2004 – Mar. 2007 *Member*, Academic Programs Committee, Food & Drug Law Institute, Washington, DC
- Sept. 2002 - Oct. 2003 *Co-Chair*, Program Committee, American Bar Association/American Association for the Advancement of Science, Working at the Frontiers of Law and Science: Applications of the Human Genome
- September 1999-2000 *Liaison*, Assisted Reproduction Act Committee, American Bar Association
- January - July 1999 *Reviewer*, National Bioethics Advisory Commission, Washington, DC, regarding embryonic stem cell research report
- October 1996 *Consultant*, Comparative Aspects of Tort Liability Law and Access to Contraceptives, Bellagio, ITALY, sponsored by The Rockefeller Foundation

**UNIVERSITY SERVICE**

School of Law

*Member*, Intellectual Life Committee (2020-21); *Member*, Admissions Committee (2018-20); *Member*, Faculty Workshop Committee (2017-18); *Member*, LLM Recruitments Committee (2016-17); *Member*, Curriculum Committee (2015-16); *Chair*, Colloquia Committee (2013-14); *Member*, Colloquia Committee (2012-2013); *Member*, Promotion & Tenure Council (2011-2012 elected); *Member*, Faculty Appointments Committee (2010-11); *Member*, Promotion Committee (2009-10); *Member*, Initial Appointments Committee (2008-09); *Member*, Lectureship Committee (2005-07); *Member*, Admissions Committee (2004-05); *Member*, Part-time Appointments Committee (2002-03); *Member*, Building Committee (2001-02); *Member*, Part-time Appointments Committee (2000-01); *Member*, Indian Law Committee (1999-2000); *Member*, Lectureship Committee (1999-2000); *Member*, Career Services Committee (1998-99)

#### Institute for Public Health Genetics

*Associate Director & Core Faculty Member* (2015-Present)

*Chair*, MPH Admissions Committee (2005-2013)

*Faculty Representative*, MPH course elective approvals (2010-2014)

*Member*, Academic Program Committee (programmatic policymaking and admissions for Ph.D. and M.P.H. programs) (1998-2014)

*Member*, Doctoral Studies Committee (1998-2003)

#### School of Medicine

*Member*, Biomedical Research Integrity Advisory Committee (2002-2014)

*Member*, Appointments Committee, Department of Medical History and Ethics (2001)

#### University-wide

*Member*, Taskforce on Transparency in Animal Research (2021)

*Member*, Committee on Interdisciplinary Teaching and Learning (2013)

*Member*, Faculty Search Committee, Treuman Katz Center for Pediatric Bioethics (2006-2007)

*Member*, Provost's Committee on Organization of Colleges and Schools (2006-2007)

*Member*, Working Group, Network of Interdisciplinary Initiatives, The Graduate School (2005-2009)

*Participant*, Faculty Focus Group, Network of Interdisciplinary Initiatives, The Graduate School (2 May 2005)

*Senator*, Faculty Senate (2003-2005)

*Member*, University Disciplinary Committee (2001)

*Member*, Regulatory Affairs Certificate Program Advisory Board (2000-Present)

*Member*, Program Committee, Packard-Gates Foundation Population Leadership Fellows (1999-2004)

*Member*, Human Subjects Review Committee C (IRB) (Social & Behavioral Sciences) (1996-97)

### ***COURSES TAUGHT***

#### Johns Hopkins Berman Institute of Bioethics

Bioethics and Law, 3 cr.

#### University of Washington School of Law

Beginning of Life, 2 cr.

Biotechnology and the Law, 3 cr.

Family Law, 4 cr.

Genetics and the Law, 3 cr.

Medical Malpractice, 3 cr.

Select Topics in Family Law, 2 cr.

Torts, 4 cr.

Topics in Law & Medicine, 4 cr.

Advanced Writing Seminar for Law Review, 4 cr.

#### Cross-listed with University of Washington School of Law

Legal, Ethical and Social Issues in Public Health Genetics, 3 cr.

with Schools of Public Health and Medicine

Ethical Issues in Health Services, 3-4 cr., with School of Public Health

Research Regulation and Ethics, 3 cr. with School of Medicine

#### University of Washington School of Public Health

Ethical Frameworks in Public Health Genetics, 2 cr., with School of Medicine

Ethical Issues in Health Services (Organization Ethics component), 1-2 cr.  
Interactive Seminar in Public Health Genetics, 1 cr.  
Ph.D. Seminar in Public Health Genetics, 1 cr.

### **PROFESSIONAL ASSOCIATIONS**

American Bar Association

*Sections: Health Law; Science and Technology*

*Co-Chair, Program Committee, American Bar Association/American Association for the Advancement of Science, Working at the Frontiers of Law and Science: Applications of the Human Genome (2002-03)*

District of Columbia Bar - *Health Law Section*

The Pennsylvania Bar

American Society for Bioethics and Humanities, *Reviewer for Annual Meeting Program- Law (2007); Reviewer for Annual Meeting Program-Research Ethics (2005); Reviewer for Annual Meeting Program-Policy (2000)*

American Public Health Association

*Forum on Bioethics, Co-Chair (1997-98), Program Co-Chair (1996-97)*

American Association for the Advancement of Science, *AAAS Fellow (1999)*

*Member, Committee on Council Affairs (2005-2008); Section on Societal Impacts of Science and Engineering: Council Delegate (2005-08); Electorate Nominating Committee (2000-04);*

Washington State Society of Health Law Attorneys

Food and Drug Law Institute, *Academic Programs Committee (2004-2007)*

### **EDITORIAL BOARD**

Oct. 2000 – Oct. 2002 *Member, Editorial Board, The American Journal of Bioethics*

### **PEER REVIEWER**

*Journals*

Accountability in Research

Annals of Surgery

Archives of Internal Medicine

American Journal of Public Health

Bioethics

Cambridge Quarterly of Health Care Ethics

Genetics in Medicine

Hastings Center Report

IRB: Ethics & Human Research

Journal of Law, Medicine and Ethics

## **PROFESSIONAL LECTURES**

### **International**

“Legal Analysis at the Boundaries of Infectious Disease and Genetics,” 16<sup>th</sup> World Congress of Bioethics, Basel, SWITZERLAND, 20 July 2022.

“Ethics, Regulation and Beyond: Policy Aspects of Research with Pregnant Women,” Fudan-LSE Lecture Series No. 27, Institute for Global Public Policy, LSE-Fudan Research Centre for Global Public Policy, Center for Biomedical Ethics, Fudan University, Shanghai, CHINA, 9 December 2019.

“The Relationship Between Law and Ethics and Their Respective Roles in Governance of Biomedical Research,” Workshop on Biotech Governance, Institute for Global Public Policy, LSE-Fudan Research Centre for Global Public Policy, Center for Biomedical Ethics, Fudan University, Shanghai, CHINA, 8 December 2019.

“Research with Pregnant Women: Permissible Regulations, Cautious Practice, Ethics of Research in Pregnancy” (with Henry L.), Global Forum on Bioethics in Research, Buenos Aires, ARGENTINA, 3 November 2016.

“Reflections on the History of IVF,” History of IVF Workshop, Cambridge University, Cambridge UNITED KINGDOM, December 2014.

“Informed consent in health research in the online environment,” Medicine 2.0, 6<sup>th</sup> World Congress, London, UNITED KINGDOM, 23 September 2013.

“The View from the Cloud: Electronic Health Information and Privacy,” Global Health and the Humanities Workshop, University of Western Australia, Perth, AUSTRALIA, 21 March 2011.

“Riesgos evitados, oportunidades perdidas: pasado, presente y futuro de las mujeres embarazadas como sujetos de investigación,” Seminario Intensivo De Ética De La Investigación, Fogarty International Center (USA), National Institutes of Health (USA), FLACSO-Sede Académica de Argentina, Buenos Aires, ARGENTINA, 2 June 2009.

“Cuándo, Qué y a Quién Se Debe Informar Acerca De Los Resultados De La Investigación y De Los Hallazgos Imprevistos De La Misma,” Seminario Intensivo De Ética De La Investigación, Fogarty International Center (USA), National Institutes of Health (USA), FLACSO-Sede Académica de Argentina, Buenos Aires, ARGENTINA, 3 June 2009.

“Genetic Testing in the Workplace,” International Workshop on Genetics, Medical Technologies and Health Policies, European School of Genetic Medicine & The Johns Hopkins University SAIS Bologna Center, Bologna, ITALY, 7 March 2009.

“Incommensurable views: How should the tensions between a utilitarian approach to science and other moral and religious belief systems be approached?” Salzburg Global Seminar and 21<sup>st</sup> Century Trust Joint Conference on Science and the Citizen, Salzburg, AUSTRIA, 20 May 2008.

“The Ethics of Research and the Growth of Bioethics in the United States,” Keio University Medical School, Tokyo, JAPAN, 22 March 2006.

“Little Cells, Big Issues: Ethical and Policy Issues in Embryonic Stem Cell Research,” North Pacific Society of Internal Medicine, Whistler, BC, CANADA, 17 September 2005.

“Embryonic Stem Cell Policy: The State of the US Debate,” Keio University Medical School, Tokyo, JAPAN, 28 June 2005.

“Preimplantation Genetic Diagnosis: Ethical Issues in Creating A Stem Cell Donor,” Keio University Medical School, Tokyo, JAPAN, 27 June 2005.

“Surgical Innovation: On the Cutting Edge of Research and Therapy,” University of Tokyo Law School, Tokyo, JAPAN, 27 June 2005.

“Surgical Innovation: On the Cutting Edge of Research and Therapy,” Workshop on Bioethics and the Law: Technology, Information and the Law, Melbourne Law School, Melbourne, AUSTRALIA, 22 February 2005.

“Embryonic Stem Cell Policy: The State of the US Debate,” University of Tasmania School of Law, Hobart, Tasmania, AUSTRALIA, 16 November 2004.

“Embryonic Stem Cell Policy: The State of the US Debate,” Australian Law Reform Commission, Sydney, AUSTRALIA, 15 November 2004.

“Making US Science Policy: The Case of Embryonic Stem Cell Research,” International Association of Bioethics 7<sup>th</sup> World Congress of Bioethics, Sydney, AUSTRALIA, 12 November 2004.

“Swinging on the Pendulum: The Continuing Evolution of US Policies Protecting Human Subjects,” University of Tokyo Law School, Tokyo, JAPAN, 19 February 2003.

“Little Cells, Big Issues: The Ethics of Embryonic Stem Cell Research,” University of Tokyo Law School, Tokyo, JAPAN, 18 February 2003.

“Canadian and US Perspectives on Research--Swinging on the Pendulum: The Continuing Evolution of US Policies Protecting Human Subjects,” University of Toronto Faculty of Law, Third Annual Health Law Day, New Biomedical Research: Regulation, Conflict of Interest and Liability, Toronto, CANADA, 22 November 2002.

### **National and Local**

Panel Member, Global Public Health, Ethics, Food Security, and Transnational Mitigation Strategies. World Order after COVID-19 Forum. Johns Hopkins School of Advanced International Studies and Henry A Kissinger Center for Global Affairs. Johns Hopkins University Virtual Event, 30 June-1-July 2020.

“Permeable Membranes: How the Blurring of Boundaries and Merging of Silos Should Reshape ELSI Research” (Accepted), 5th ELSI Congress, 30 Years of the Genome: Integrating and Applying ELSI Research, New York, NY, 15 - 17 June 2020. [*Presentation canceled due to Covid19*]

“Navigating Research, Infectious Disease, and Laboratory Licensing Laws for Public Health Action: A Covid19 Case Study.” Seminar, University of Washington Institute for Public Health Genetics, Seattle, WA, 2 June 2020.

“Navigating Law and Ethics during Covid19: The Seattle Flu Study,” Global Health Panel, Law in the Time of COVID-19 (Law B599), University Washington School of Law, 9 April 2020.

“Interdisciplinary Research: A Case Study on Pregnant Women and Research.” Charm City Colloquium, University of Maryland Carey School of Law and Johns Hopkins Berman Institute of Bioethics, Baltimore, MD, 26-27 September 2019.

“Pregnant Women and Infectious Disease: Legal Issues.” American Society of Tropical Medicine and Hygiene 66<sup>th</sup> Annual Meeting, Baltimore, MD, 6 November 2017.

Panel Co-Organizer, Mastroianni A. (Chair), Laufer M. (Co-chair), Divala T., Caluwaerts S., Henry L., “Pregnancy and Infectious Disease: Ethical, Legal, and Global Challenges in Clinical Research,” American Society of Tropical Medicine and Hygiene 66<sup>th</sup> Annual Meeting, Baltimore, MD, 6 November 2017.

Conference Co-Organizer and Moderator, “Secrecy, Security and Science: Reflections on the 20-year Legacy of the Advisory Committee on Human Radiation Experiments,” Johns Hopkins Berman Institute of Bioethics, Baltimore, MD, 5 October 2016.

“Research with Pregnant Women,” (with L. Henry), 39<sup>th</sup> Annual Health Law Professors’ Conference, American Society of Law Medicine and Ethics, Boston University School of Law, Boston, MA, 3 June 2016.

PATH Research Ethics Series: Inaugural Speaker, “Pregnant Women and Research: Confronting Ethical and Legal Barriers,” PATH, Seattle, WA, 12 February 2015.

“Reflections on a Legacy,” The Paul Steven Miller Memorial Symposium: Exploring the Intersections of International Human Rights and Disability, University of Washington School of Law, Seattle, WA, 10 January 2014.

“Apology & Forgiveness: When the Health Care System Fails,” Sponsored by the King County Bar Association Alternative Dispute Resolution Section, University of Washington School of Law, University Presbyterian Church, and The Health Care Law Practice of Riddell Williams P.S., Seattle, WA, 17 April 2013.

“Legislating Apology for Medical Errors: When Just Saying ‘Sorry’ Isn’t Enough,” Georgia State University College of Law, Atlanta, GA, 26 April 2011.

“Over-the-Counter Genetic Testing: The Regulatory Context,” Institute of Translational Health Sciences, University of Washington, Seattle, WA, 3 December 2010.

“Ethics and the Use of Electronic Health Information,” Institute of Medicine, Washington, DC, 25 October 2010.

“The US Legal Context for School Vaccination Mandates,” American Society for Bioethics and Humanities, San Diego, CA, 22 October 2010

“Embryonic Stem Cells: The Policy Context,” Seminar on Stem Cell Research, Board of Directors, Fred Hutchinson Cancer Research Institute, Seattle, WA, 9 September 2005.

“Little Cells, Big Issues: Ethical and Policy Issues in Embryonic Stem Cell Research,” National Conference of State Legislatures, Seattle, WA, 18 August 2005.

“Swinging on the Pendulum: Shifting Views of Justice in Research with Children,” Current Controversies in Pediatric Research Ethics, Children’s Hospital and Regional Medical Center, Seattle, WA, 22 July 2005.

“Embryonic Stem Cells: What Are the Policy Options?” Forum on Science, Ethics and Policy, University of Washington, Seattle, WA, 18 October 2004.

“Separated at Birth: Law, Policy, Ethics and Cloning,” Genome Justice, National Association of Women Law Judges, Seattle, WA, 10 July 2004.

“The Future of Clinical Research,” BIO 2004 Annual International Convention, San Francisco, CA, 8 June 2004.

Session organizer and moderator, “Understanding Open Source: From Software Licensing to Genetics IP and Beyond,” 19<sup>th</sup> Annual Intellectual Property Law Conference, American Bar Association, Washington, DC, 1 April 2004.

“Innovative Surgery: Legal Analysis and Policy Considerations,” University of Virginia Center for Biomedical Ethics, Charlottesville, VA, 10 March 2004.

“Little Cells, Big Issues: Ethical and Policy Issues in Embryonic Stem Cell Research,” The Greenwall Foundation, New York, NY, 13 May 2003.

“Preimplantation Genetic Diagnosis: Ethical Issues in Creating A Stem Cell Donor,” Philadelphia Area Reproductive Endocrine Society (PARES), Philadelphia, PA, 1 May 2003.

“The Policy Gap: Research on Stem Cells and Human Embryos,” San Diego Science and Technology Council, San Diego, CA, 10 April 2003.

“Innovative Surgery: Legal Issues,” University of Virginia Center for Biomedical Ethics, Charlottesville, VA, 10-11 February 2003.

“Teaching Ethics in Public Health: A New Curriculum,” American Public Health Association, APHA 130<sup>th</sup> Annual Meeting & Exposition, Philadelphia, PA, 12 November 2002.

“Ethics and Public Health: A New Curriculum,” American Society of Bioethics and the Humanities (ASBH), Preconference Workshop, ASBH 2002 Annual Meeting, Baltimore, MD, 24 October 2002.

“Responding to a Federal Mandate: Institutional Training Efforts in the Responsible Conduct of Research,” The Role of Institutional Rules, Guidelines, and Education in Promoting the Responsible Conduct of Research, sponsored by the Office of Research Integrity, Department of Health and Human Services, Philadelphia, PA, 23-24 September 2002.

“Teaching Public Health Ethics,” Exploring Ethics and Public Health, sponsored by University of Minnesota and The Hastings Center, Deerwood, MN, 14-17 July 2002.

“Compliance or Conscience: The Role of Oversight in Assuring Safety in Clinical Research,” Accountability in Clinical Research: Balancing Risk & Benefit, sponsored by National Patient Safety Foundation, Indianapolis, IN, 26 April 2002.

“Genetic Information: Privacy, Challenges and Protections,” Cancer Genetics and the Human Genome: Implications for Society and Medicine, sponsored by Northwest Cancer Genetics Network at Fred Hutchinson Cancer Research Center, Univ. of Washington Institute for Public Health Genetics & School of Pharmacy, Seattle, WA, 15 February 2002.

“Individual Rights and Scientific Research: Protecting Human Subjects,” American Bar Association 2001 Annual Meeting, Chicago, IL, 6 August 2001.

Panel moderator, “ELSI Implications of Parkinson’s Disease Research,” Environmental Health for Reporters: Ethical and Policy Implications of the Human Genome Project and Genetic Research on Human Sensitivity to Environmental Pollutants, sponsored by Center for Child Environmental Health Risks Research, Center for Ecogenetics & Environmental Health, Institute for Risk Analysis & Risk Communication, Northwest Center for Occupational Health and Safety, Superfund Basic Research Program, Univ. of Washington Department of Environmental Health, Seattle, WA, 1 June 2001.

“From Compliance to Conscience: Recurring Ethical Issues in Human Subjects Research,” sponsored by the Healthcare Access Alliance, Seattle, WA, 22 May 2001.

“Clinical Trials: What Journalists Need To Know About Them,” Puget Sound Science Writers Association, Seattle, WA, 8 May 2001.

Panel moderator, “Human Tissue or Intellectual Property,” Learning to Live with the Human Genome: Well Reasoned Prudence or Future Shock? Sponsored by Washington State Supreme Court, Washington State Office of the Insurance Commissioner, Washington State Department of Health, University of Washington School of Public Health and Community Medicine and others, Tacoma, WA, 5 January 2001.

“Assessing Training Efforts in the Responsible Conduct of Research: Status, Challenges and Future Directions,” U.S. Dept. of Health and Human Services, Office of Research Integrity, Research Conference on Research Integrity, Bethesda, MD, 19 November 2000.

“Protecting Human Subjects: A Brief History and Introduction to Ethical Principles,” Children’s Hospital, Seattle, WA, 15 October 1999.

“Protecting Privacy and Confidentiality of Genetic Information: An Overview of the Law,” Genetics, Health Care and the Law, Washington State Supreme Court and Office of Insurance Commissioner Deborah Senn, Olympia, WA, 6 October 1999.

“Protecting Privacy and Confidentiality of Genetic Information,” The Promise of Modern Genetics, The Technology Institute, sponsored by The Technology Alliance, Leavenworth, WA, 13 September 1999.

“Improving Accountability in Research: Recent Events and Some Proposed Solutions,” VA National Ethics Conference, Ethics Along the Continuum, Department of Veterans Affairs, Veterans Health Administration, Minneapolis, MN, 10 September 1999.

“Making It Up As We Go: Law and Policy in Managed Care,” Bioethics in the Age of Managed Care, Society of Nuclear Medicine, 46<sup>th</sup> Annual Meeting, Los Angeles, CA, 7 June 1999.

“The Influence of the Belmont Report on the Advisory Committee on Human Radiation Experiments” (with Faden R., Kahn J.), Belmont Revisited—A conference on the 20<sup>th</sup> anniversary of the Belmont Report, University of Virginia, Charlottesville, VA, 17 May 1999.

“Teaching Research Ethics: A Status Report” (with Kahn J.), American Public Health Association, 126<sup>th</sup> Annual Meeting, Washington, DC, 16 November 1998.

“Considerations in the Establishment of National, Independent Oversight of Human Subjects Research,” National Ethics Conference, sponsored by the Friends Research Institute, Baltimore, MD, 14-15 November 1998.

“The Promise and Pitfalls of Genetic Testing: Confidentiality, Discrimination, and Informed Consent,” Cancer Genetics Symposium, sponsored by Puget Sound Oncology Consortium, Fred Hutchinson Cancer Research Center, and Swedish Medical Center, Seattle, WA, 10 April 1998.

“New Perspectives on Recurring Ethical Issues in Research,” Invited Faculty, Culture and Community: Consultation and Communication in Research, sponsored by University of Washington, Office of Protection from Research Risks, U.S. Food and Drug Administration, Indian Health Service, Seattle Indian Health Board, Seattle, WA, August 1997.

"New Perspectives on Recurring Ethical Issues in Research," Western Institutional Review Board, Olympia, WA, August 1997.

"Good News, Bad News for Biomedical Researchers: Lessons from the White House Advisory Committee on Human Radiation Experiments," Ethics Forum, Veterans Administration Puget Sound Health Care System, Seattle, WA, June 1997.

"Practical Clinical Research Ethics," Workshop Faculty, 1997 Annual Meeting of the Society for General Internal Medicine (SGIM), Washington, DC, May 1997.

"Ethical Issues in Clinical Research," Panel Member, 1997 Annual Meeting of General Clinical Research Centers (GCRC), Washington, DC, March 1997.

"Forming Equitable Research Reform: Rational Access to Clinical Trials and New Drugs," HIV Law & Policy: Ensuring Gender-Equitable Reform, Conference sponsored by Duke Journal of Gender Law and Policy, Durham, NC, February 1997.

"A Report from the Commission on Radiation Experiments," Moderator, Third Annual Meeting of the American Association of Bioethics, San Francisco, CA, November 1996.

"How Are We Doing? Outsiders Judge IRBs," Panel Member, Strategies for Addressing the IRB's Current Obstacles, Public Responsibility in Medicine and Research and Tufts University School of Medicine, San Diego, CA, November 1996.

"Questioning the Framework of Informed Consent and Seeking Innovative Ways to Enhance the Process," Workshop Leader, Strategies for Addressing the IRB's Current Obstacles, Public Responsibility in Medicine and Research and Tufts University School of Medicine, San Diego, CA, November 1996.

"The IRB's Role in Ensuring the Inclusion of Women and Minorities and Reviewing Research with Pregnant Women," Workshop Leader, Strategies for Addressing the IRB's Current Obstacles, Public Responsibility in Medicine and Research and Tufts University School of Medicine, San Diego, CA, November 1996.
