   http://www.law.washington.edu/Students/Forms/ConcentrationTrackDeclaration.pdf

   Students must apply no later than the end of their second year

4. Complete requirements on attached Worksheet.

5. Submit this form and your signed Worksheet to a Faculty Advisor prior to graduation for final approval

Faculty Advisor Final Approval ___________________________ Date ___________________________
Environmental Law Concentration Track Worksheet

Students must take a minimum of 33 credits in environmental law courses as follows.

1. Students must take:
   a. A509 Administrative Law
   b. A527 Environmental Law: Pollution Control
   c. Advanced Writing Project (LAW E 500) or a seminar (4-6 credits) on an environmental law subject approved by the Environmental Law Track advisor.
   d. B567 General Externship Perspective Seminar, or equivalent.

2. Students must earn at least 9 credits in courses from the following list:
   a. A525 Water Law
   b. A529 Public Land Law
   c. A540 Land Use Planning
   d. A545 International Environmental Law
   e. A565 American Indian Law
   f. B529 Advanced Environmental Law and Practice Seminar
   g. B565 U.S. Coastal and Ocean Law
   h. E556 Washington Systems of Environmental Regulation
   i. E581 Environmental Ethics and Philosophy

3. Students must earn at least 10 credits in either the Environmental Law Clinic or an externship in an organization approved by the law school public service program and the Environmental Law Track advisor, (such as American Rivers, Center for Environmental Law & Policy, Pacific Legal Foundation, Environmental Protection Agency, Department of Natural Resources). The Environmental Law Track advisor may waive this requirement for students who document equivalent practical experience in the area. To the extent that a student who has equivalent experience, he or she must still take sufficient additional credits of approved environmental courses in order to meet the 33 credit hour minimum for the concentration.
