Professional & Faculty Mentor Programs

Seattle's diverse legal community provides UW law students with outstanding opportunities to learn about legal career options. Our Professional Mentor program pairs students with practicing judges and professionals in the Seattle area. Our Faculty Mentor program assigns a small group of students to a faculty member not teaching in the first-year curriculum. The mentor programs match on common characteristics such as areas of interest, career pathways, educational or professional background. Mentors meet with mentees throughout the academic year to offer guidance and encouragement, facilitate networking opportunities and share specialized knowledge. The initial Mentor-Mentee event will be held early in the Autumn quarter.

ID Cards

Get your Husky Card™ (student identification card) at the Student ID Card Center on the ground floor of the Odegaard Undergraduate Library, next to the By George Café.
